WEEKLY REPUBLICAN—1897.  
DAILY PUBLIC LEDGER—1899.

MAYSVILLE, KY., TUESDAY, MAY 18, 1909.

ONE COPY—ONE CENT.

AN EASTERNER'S VIEW OF KENTUCKY.

O, know ye the land of revolver and rifle,  
Where the best of old Bourbon like the moun-  
tain stream flows?  
Where the hair-trigger roigns and the sharp  
Bowie knife'll  
Win you your friends while it slaughters your  
foes?

It's the land of rare beauty, where bright eyes  
are gleaming,  
And belles dress in colors that horses would  
scare;  
Where one is bewildered by financial dream-  
ing,  
But the best of old Bourbon will drown all  
your care.

It's the land of the racer, Southdown and Dur-  
ham,  
The tropical clime of Niggers and noies;  
Where men mix mint jellies that awfully stir  
'em  
From virtue's straight line and life's equipolse.

It's the land of old Harry, where at pleading  
or poker,  
Disconcerted his foes or clean out his friends;  
Where witty Ned Marshall or Proctor, the joker,  
With eloquence learned the fat laughter blends.  
It's the land of the Prentice, so sharp and so  
witty,  
Who made all the bums howling complain;  
Where Watterson now, 'twixt the champagne  
and cherry,  
Sees visions from sherry but more from cham-  
pagne.

It's a good land to leave if you're slow on the  
trigger,  
Or fail in your notions the natives to please.  
Better a Yankee schoolmaster or jolly old  
Nigger,  
Than to seek that sweet land after verses like  
these.

## SERVICE is the TEST

And it's the test our rugs and carpets stand. You'll find satisfying service in every yard of floor covering you buy here and you'll find prices not only consistent with quality but cut to the lowest notch of safe economy. Give us the chance to show you.

## Our Semi-Annual Suit Sale Is Now in Progress.

The enthusiastic response to the first notice of this sale strengthens our opinion that there are no inducements like style and quality allied to low prices. The sale is just well under way, so to speak, but long before it is half over people will realize it is one of the most momentous trade movements as far as value-giving and satisfaction are concerned that has occurred for a long time. It will be scarcely necessary to remind you that the reductions are genuine and accurately stated, as inspection will reveal. Money never commanded so much value. Do not wait until the assortment is depleted, come early and get the benefit of the widest possible choice.

DR. A. G. BROWNING'S

Pleasing Address Before the Knights of Columbus Sunday Afternoon

A most enjoyable part of the last meeting of the Knights of Columbus was the social session, the chief feature of which was the very delightful reminiscence entitled, "Under the Snow," by Dr. A. G. Browning. For almost an hour the Doctor was listened to with rapt attention, and the appreciation of his audience was manifested by frequent outbursts of applause and by a standing vote of thanks.

Several musical numbers, duos and solos, by Masters Basil Dann and Bowden Cammies, were also keenly appreciated. These young violinists are sons of Captain Dann of the L. and N. and Mr. W. T. Cammies of East Third street, and, displaying, as they do, remarkable proficiency musically, have a bright future before them.

The subsequent features enhanced the delight of the entertainment, the planning and execution of which add laurels to the lecturer, Mr. John J. O'Donnell.

MADE IT A LIFE STUDY

Dr. J. S. Leonhardt Found the Cause and Cure of Piles.

Dr. J. S. Leonhardt, the celebrated specialist of Lincoln, Neb., proved, after years of study, that the cause of piles is internal—had circulation. Then he perfected Hem-Roid, an internal remedy, and in 1,000 different cases it cured 98%. By Dr. Leonhardt's order, Hem-Roid is sold under an iron-clad guarantee. If it fails the money is paid back.

MAYSVILLE MAN

Will Soon Be at the Head of Redmen of Mississippi

Greenville (Miss.) Times.

Another Greenville citizen is to receive State honors the latter part of the present month. The gentleman in question is Mr. Harry L. Wells, who, at the next session of the Great Council of Redmen, to be held at Tupelo on May 24th, will succeed to the office of Great Sachem of the Order in the State of Mississippi.

Mr. Wells has always been a worker in the local Redmen Lodge, and has taken a great interest in the work of the Order in the State. At the last session of the Great Council he was elected Senior Sagamore, and this year will succeed to the highest office of this Order in the State. He is the Chief of Records of Pishmattaba Tribe of this city, and to him is due the credit of the present flourishing condition of that Society.

Mr. Wells is the son of Captain John E. Wells of Forest avenue, this city, and his friends here congratulate him upon the fraternal honor that will soon be his.

PRESENT WORTH WHILE

A Nicholas Admirer Gives Hon. J. N. Kehoe a Handsome Horse, Harness and Carriage

Monday Bulletin.

Hon. and Mrs. J. N. Kehoe were the happy recipients, Saturday afternoon, from Mr. W. L. Bramlett of Carlisle, one of Mr. Kehoe's many warm friends and admirers, of a splendid present—one far out of the ordinary. The gift consisted of a complete family driving outfit—handsome bay horse, stylish carriage, pretty harness and other accessories, all first quality and brand new, selected by Mr. Bramlett for the purpose. No detail that was likely to add pleasure to the event was overlooked or omitted by the generous donor. The outfit came over the L. and N. in special car accompanied by a coachman who attended to the unloading, "hooking up" and delivery. To say that the magnificent gift is appreciated by both Mr. and Mrs. Kehoe would be stating it too mildly—they and the entire family are simply delighted.

WORLD-WIDE MOVEMENT

One Million Men Wanted in the Baraca Bible Classes

Marshall A. Hudson, a hustling business man of Syracuse, N. Y., who some years ago started what is known today as the Baraca and Philathea Bible Class movement, is seeking to organize in Bible Classes all over this and other lands a million men. He is now known among Sunday-school workers as "The Millionaire Hudson."

The growth and effect of this great movement is being felt all over the country, and the work of this organization is to be presented to a crowded house this evening at 7:30 at the First Baptist Church.

Luther M. Tesh, Field Secretary of the World-Wide Baraca Movement, is to tell of its phenomenal growth, explain what it is, and demonstrate the methods used in its operation. This is a splendid opportunity to hear an interesting and strong speaker on a live subject. All interested in Sunday-school work are urged to attend.

Quite a large number of out-of-town people are coming. This promises to be the largest Sunday-school and Church gathering held in Maysville for a year.

There will be some fine music. We can only take care of a thousand people, so come early.

THE REAL TEST

Of Herpicide is in Giving It a Thorough Trial.

There is only one test by which to judge of the efficiency of any article and that is by its ability to do that which it is intended to do. Many hair vipers may look nice and smell nice, but the point is—do they eradicate dandruff and stop falling hair?

No, they do not, but Herpicide does, because it goes to the root of the evil and kills the germ that attacks the papilla from whence the hair gets its life.

Letters from prominent people everywhere are daily proving that Newbro's Herpicide stands the "test of use."

It is a delightful dressing, clear, pure and free from oil or grease.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

AT THIS STORE YOU ARE SUPPOSED TO BE CAPABLE OF SELECTING WHAT YOU WANT. . . . .

The average man of intelligence may be trusted to select a suit of clothes that is suited to his "personality." His personal taste decides, and decides rightly. The rubbish that is being printed to the effect that unless a man is guided and directed and advised and admonished (usually this monitor is to be a green clerk or a somewhat green tailor) he will buy something that will disgrace him and that will not suit his "personality"—it's all rather tiresome, don't you think? This store does not know your "personality" as well as you do. You may buy the suit you want—and it will suit your personality, never fear.

Prices \$7.50 to \$25.

## POINTED PARAGRAPHS.

It seems that Mrs. Nation is now playing the "Arkansas Traveler."

Rev. West of the Anti-Saloon League, it seems, has gone in another direction.

Mr. Roosevelt, it's likely, would rather hear from home than hear the roaring of a lion.

It cannot be claimed that prohibition will make the morals of a community any worse, at any rate.

Rev. West ought to take Horace Greeley's advice and go where he can grow up with the country.

Snakes are preferable to whisky, and, besides, the latter "produces" the former in some cases.

Mrs. Nation likely didn't run up against any Irish whisky while abroad, as nothing was heard about it.

If Mr. Roosevelt doesn't succeed in "stirring up a lion" other hunters may as well give up the chase.

It would have been a good act if, while St. Patrick was in the business, he had banished whisky from Ireland.

It isn't altogether groundless that Rockefeller's money is called tainted, because he receives it all from the ground.

There's one thing Mr. Roosevelt cannot count on in a tussle with a lion—he cannot come out at any thing less than second best.

Mrs. Carrie Nation, it is reported, has quit business. It cannot be denied that she made several telling "bite" while at it.

A great deal is said about tainted money, but that which is held back from the payment of past debts is the worst tainted of any.

That Preacher who shook off the dust of Stamping Ground in order to take on the young Miss, doesn't appear to miss his wife much.

# From the Garden to You!

Out of the ground today and on your table tomorrow. That's what makes our green vegetables so popular. The green goods and vegetables you get from us are always crisp and fresh, because we buy from day to day only as much as we can sell. A lot of people didn't know how fine and tasty vegetables could be until they began to buy from us. You'll get the habit, too, when once you start. Begin today. We get them home to you before the dew is off of them.

QUALITY GROCERS.

Mrs. Nation will now carry on with the grangers.

A boy would rather play ball than "play hooky."

Mrs. Nation, having stacked arms, will now stack hay.

If Mrs. Nation has a good farm she may raise "some pumpkins."

Mrs. Nation having settled on a farm isn't likely to raise anything like disturbances.

The most important thing that Mr. Roosevelt has killed hasn't been mentioned, and that is time.

It may stand the lion instead, in his contact with Mr. Roosevelt, that crouching is his natural position.

Mrs. Nation carries the hatchet merely to emphasize her hatred of the "traffic," as whisky itself makes enough cracked heads.

There's considerable difference in picking the banjo in a Penitentiary and in a Church, whether there's any change in the picker's heart or not.

The St. Albans (Vermont) people don't seem to have any admiration for the style of warfare introduced at that place many years ago by Bennett H. Young.

The people of St. Albans are not complimentary in the terms used toward Bennett Young for the part he bore in the raid on that town during the Civil War.

Bennett was Young and inexperienced at the time of the St. Albans raid, else all the uncomplimentary remarks made about him now might not have been forthcoming.

People wouldn't be sorry were that Cannon at Washington to go off.

It's not probable that Mr. Roosevelt would deign to look at a lion now.

## JUDGE FOR YOURSELF

Which is Better—Try an Experiment or Profit by a Maysville Citizen's Experience.

Something new is an experiment. Must be proved to be as represented. The statement of a manufacturer is not convincing proof of merit.

But the endorsement of friends is. Now supposing you had a bad back. A lame, weak or aching one. Would you experiment on it? You will read of many so-called cures. Endorsed by strangers from far-away places. It's different when the endorsement comes from home.

Easy to prove local testimony.

Home endorsement is the proof that backs every box of Doan's Kidney Pills.

Read this case: J. M. Lloyd, farmer, R. F. D. No. 5, Maysville, Ky., says: "I am only too pleased to tell of my experience with Doan's Kidney Pills and hope that it will be the means of helping some other sufferers from kidney trouble in finding relief. About five years ago my kidneys suddenly became disordered and for several months I was bothered by constant, dull pains across my loins. When I stooped or lifted, sharp twinges shot through my body and caused the most intense suffering. I at length heard of Doan's Kidney Pills, procured a box at J. J. Wood & Son's Drugstore and began using them. They effected a complete cure, and since then I have not had backache or any other symptom of kidney trouble."

For sale by all dealers. Price 50 cents.

Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

That Arkansas plantation, maybe, was knocked down to Mrs. Nation with a hammer.

Mr. Roosevelt ought to have taken a graphophone along to bring back some canned lion roars.

Mrs. Nation, like the famed Roman Cincinnatus, may hold herself in readiness to leave the plow at the call of her country for service.

## Afraid of Ghosts

Many people are afraid of ghosts. Few people are afraid of germs. Yet the ghost is a fancy and the germ is a fact. If the germ could be magnified to a size equal to its terrors it would appear more terrible than any fire-breathing dragon. Germs can't be avoided. They are in the air we breathe, the water we drink.

The germ can only prosper when the condition of the system gives it free scope to establish itself and develop. When there is a deficiency of vital force, languor, restlessness, a hollow cheek, a hollow eye, when the appetite is poor and the sleep is broken, it is time to guard against the germ. You can fortify the body against all germs by the use of Dr. Pierce's Golden Medical Discovery. It increases the vital power, cleanses the system of clogging impurities, enriches the blood, puts the stomach and organs of digestion and nutrition in working condition, so that the germ finds no weak or tainted spot in which to breed. "Golden Medical Discovery" contains no alcohol, whisky or habit-forming drugs. All its ingredients printed on its outside wrapper. It is not a secret nostrum but a medicine of known composition and with a record of 40 years of cures. Accept no substitute—there is nothing "just as good." Ask your neighbors.
